Our Board of Directors continues to monitor the current situation. At this time, we feel it is in the best interests of our members and staff to keep our lobby closed.

In the event that you would need to come inside the office, we would be happy to make an appointment for you. Otherwise, we recommend using our drive-up, which is open 8:30-5:30.

International Credit Union Day October 15, 2020

Each year we come together to celebrate International Credit Union Day to raise awareness about what it means for members around the world to have a credit union as their financial partner. This year's global health crisis has been trying for many communities around the world, but credit unions stayed true to their cooperative principles and stepped up during this time of economic uncertainty. This year's theme "Inspiring hope for a global community" reflects how credit unions contribute to a brighter future by providing financial empowerment to people all over the world through financial services, education and support.

Due to the current health pandemic we won't be serving refreshments in the lobby but members are invited to swing by the drive-through on Thursday, October 15. Not only will we have a treat for each member, but every 5th member will have the opportunity to pick an envelope to win a cash prize.

Stop by to help us celebrate the credit union spirit and possibly win some cash!

WERE YOU A WINNER??

While the Huron School District staff was busy at in-service preparing for the upcoming school year, the HAEFCU credit union fairies were working their **magic** in the parking lot. Several people came out to their vehicle to find ice cream cone coupons on their windshields. Twenty lucky people received a special coupon with a gold star, giving them a loan discount coupon of 1% off a new loan! We've only had a couple of these "special" coupons redeemed so if you or someone you know still has one make sure to contact our office to get more details. The coupons are good through 12-31-20 so there's still time to use them.

HAEFCU Covid Kit Giveaway

There's no doubt that this school year will be challenging for our educators. We decided to help a couple lucky teachers get prepared by giving them an HAEFCU Covid Kit. Each kit contained some of the most sought after items which included 3 containers of disinfecting wipes, 3 boxes of Kleenex, 2 bottles of hand sanitizer, 2 bottles of hand soap and 2 cans of disinfecting spray (they'll have to find their own toilet paper!).

To be entered in the drawing, members had to share a picture in their mask on our Facebook post.

Congratulations to lucky members Marisa Krekelberg and Stacey Westby!
